GENERAL INFORMATION

The following is provided to assist you in arranging your function at the Buffalo Niagara Convention Center

GUARANTEES

Final guarantees for Food and Beverage functions must be received 3 business days prior to the function date. For functions of 500 people or more, the final guarantee will be required 5 business days prior to your event. This count is not subject to reduction within this period. If the guarantee is not received, the Buffalo Niagara Convention Center will charge your organization for the estimated number of people noted on the Banquet Event Order. The Center will be prepared to serve and set the function room for 5% over the guaranteed number for all parties under 500 and 3% for parties over 500. A \$100.00 service charge will be applied to all food functions totaling less than \$300.00. All food and beverage items are subject to 18% service charge and 8.75% NYS sales tax.

PRICING

Quoted prices are subject to increases to meet increased costs of food, beverage and labor. Menu price for your event will be confirmed 3 months prior to your event. Food and beverage purchases are subject to the prevailing sales tax and service charge percentage. Buffet and food station pricing is based upon a (1 1/2) hour service time period.

DEPOSITS

Unless previous billing arrangements are made, reservations will be held only upon receipt of an advance deposit of 10% of the estimated cost, which will be due with the signed contract. The remaining balance is to be paid a minimum of three business days prior to the function. Deposits are non refundable.

CONTRACTS

Prior to your event, as an addendum to your Buffalo Niagara Convention Center contract, you will receive a Food & Beverage contract outlining your food and beverage order. This form must be signed and returned to our office before any food and beverage confirmations will be made. We ask that all guarantees be provided in writing.

TAX EXEMPT

For organizations that are tax exempt, a copy of your Exemption Certificate must be received with your signed contract.

FACILITIES

Adherence to the times agreed upon for your function are mandatory, as other groups may be scheduled for the same room following your function. If your time schedule changes, please contact our Sales Department and they will make every effort to accommodate you.

BEVERAGE SERVICE

We offer a complete selection of beverages to enhance your function. Please note that the State of New York regulates alcoholic beverage sales and services. The Buffalo Niagara Convention Center, as a licensee, is responsible for the administration of these regulations. Therefore, it is our policy that no liquor, beer, or wine may be brought into or carried out of the Buffalo Convention Center. For open bars, one bartender per 100 people will be provided. For cash bars, one bartender per 125 people will be provided. Each bartender must take in \$400.00 in sales in a 4-hour period, or a \$100.00 service charge will be applied per bartender. Additional Bartenders requested will be charged at \$20.00 per hour, with a four-hour minimum. In accordance with rules and regulations set aside by the State of New York, the Buffalo Niagara Convention Center cannot sell or condone the sale of alcoholic beverages to any person under 21 years of age.

CONCESSION SERVICE

We offer a variety of concession style services and will be glad to tailor menus to complement your trade show or convention. The availability of concession services can greatly enhance your event. For special information regarding concessions for set up and move out days, contact your catering salesperson. All food and beverage service is based on a minimum of \$400 in sales for a 4-hour period. If the charges fall below the minimum, an additional labor charge of \$150 will be charged.
